

“Bringing Art Back to LIFE”

# Antique Doll Repair Mickey Mouse Gets a Nose job!

Portfolio

## Ears and Head, too.

## Mickey Mouse Original Doll Repair-2nd Edition Doll

Private Client-Mickey Mouse Collector

*Damage:* Poor Mickey, Broken but well loved. I pictured some child dragging this toy around.

*Services included:*

- Recasting and Painting of Nose
- Repainting of Ears and Head
- Patina matching of Casting to Face
- Minor retouching other areas

Sometimes we take on unusual or unique items at the request of our clients. This Mickey was brought to us needing some TLC and restoration/repair work for our clients personal collection. This is the second Mickey we have done for Bruce, he has an amazing collection! It was good to give Mickey new life and a nose job.

Art Restoration, Repair and Conservation Services

“Bringing Art Back to LIFE”

# Doll Repair from Fire

Before

Portfolio

After

## China Dolls repaired from Fire Damage

A girls doll collection from her room.

*Services:*

Cleaning and deodorizing of dolls and all original clothing. Treatments to synthetic hair and original clothes.

Replacing details such as eyelashes to face. Reconstruction of ornamental detail lost in fire.

After a terrible fire we were asked to see if we could recover these dolls. They were one of the few surviving items from the girls room. They were in terrible shape, full of soot. We were very pleased at their recovery.

Art Restoration, Repair and Conservation Services
